

My name  
is Momose  
Anzu.

A second  
year middle  
schooler,  
whose study  
results are,  
well...  
ordinary.

I'm fairly  
athletic.

I'm an  
extremely  
ordinary girl.

I yearn for love  
and a first kiss,  
just like all other  
people.

**TOUCH!**

**GOTCHA♡**

**struggle**

No, that...

Wah-  
JUST  
A And

I WON'T  
LET YOU  
ESCAPE.

You smell  
absolutely  
wonderful!

Dear...

Y-. You're  
under  
control of  
the evil  
radio  
waves!

Wha...  
what  
should I  
do?!

I WAS  
LOOKING  
FOR YOU.

THAT  
GIRL  
IS...

AS I THOUGHT,  
HIGH PLACES  
ARE EXCELLENT  
FOR PEOPLE  
SEARCHING.

She is generally very serious, but...

**BAM**

She's a  
little off,  
somehow.

TODAY'S  
DINNER IS  
CURRY.

YOU'RE  
HERE  
JUST TO  
SAY THAT?

I'M  
TELLING  
YOU, DON'T  
PUT MY  
PROBLEM  
ASIDE.

AHH...  
I AM VERY  
SORRY, IT WAS  
INEXCUSABLE.

...WAIT,  
SHE'S  
GONE!

BUT THAT  
ASIDE, YOU  
HAVE ONE  
MORE VOICE  
MESSAGE.

AFTER  
COVERING  
ME IN  
MUD, NO  
LESS?

And then a bar  
code will appear  
somewhere on  
the affected  
person's body.

...all the girls who  
are exposed to  
the machine's  
unusual radio  
waves become  
strangely  
obsessed with me.

HYAI!

Her expression is even more dangerous than it was during the day!

---  
I'm scared..!

Some-  
one!

This is getting a bit...

In order to  
cancel the  
brainwash-  
ing effect,

Hurry up.

Hurry  
Up.

HURRY  
UP.

WHOOSH

the target  
(in other  
words, me)  
has to

put a kiss  
mark on the  
bar code that  
resulted from  
the radio  
waves.

Ash

WELL  
THEN.

DETOXIFICATION  
IS COMPLETE.

I'VE SUCKED  
THE POISON  
OUT.

Looks like  
my extremely  
ordinary girl's  
life is still  
far away.
